5. BEING CONTENT :

To day I am going to deliver a few words about being content. Friends, do you know what does "being content" mean

Being content means being happy with who you are and what you have. Being content also means being happy with others have. Each of you has different gifts. One of you is a good singer, another is a good dancer. There are two ways of being rich, one is to have all you want, and other is to be satisfied with what you have.
