Dear Sir/ Madam,

Sub : Departmental Examinations – Introduction of
e-bulletin for Departmental Examinations -
Dispensing of printing and publishing of result
bulletins – Reg.

I am to state that from the Departmental Examinations – May 2021, the TNPSC result bulletin will be published in the form of e-bulletin only, which will be hosted in the Commission's website. Hence, printing and publishing of TNPSC result bulletins of Departmental Examinations is dispensed. Therefore, the details published in the e-bulletins of Departmental Examinations may be taken into consideration as authenticated document for making entries in the Service Registers of the employees for declaration of probation, promotion, etc.

I am further to state that, the candidates who are in Government Service and wish to appear for Departmental Examination apply for the same and they are being issued with Hall Tickets, to appear for the Departmental Examinations for which they have applied. These Hall Tickets have to be retained by the candidates. But, the candidates are in the habit of missing the Hall Tickets and request the Commission to issue duplicate hall tickets for making entries relating to their pass in Departmental Examinations in their Service Registers. Up to the year 1998, for each and every Departmental Examination, TNPSC result bulletins were published for 2 times, viz., initially, only Register Numbers of successful candidates were published, then, after 2 to 3 years, the name and address of those successful candidates along with their Register Numbers were published. During those days, to verify the genuineness of TNPSC result bulletin containing Register Numbers only, hall tickets were required, for making entries in the Service Registers. Now-a-days, the Register Numbers along with the name, father's name, date of birth and address of the candidates are being published in the TNPSC Bulletin, collectively, at a time. Hence, the hall tickets may not be required and the employees need not be insisted for production of hall ticket. However, if the employees are in possession of the hall ticket, the same may be verified.

I am therefore to request that necessary and suitable Administrative Instructions may be issued to the Officers under your control, with regard to the above said matters.
